

PRIVACY POLICY

Titan Revenue Solutions will safeguard the confidentiality and security of the information we obtain from you. We want you to understand how we may collect, store, use and protect your personal information. We will not share your information with anyone except as described in this privacy policy.

This notice describes our privacy policy as it relates to the collection, protection and disclosure of such information.

Collection of Information

Titan Revenue Solutions will collect and use information obtained only for business purposes. We respect and are committed to protecting your privacy. We do not collect personally identifiable information when you visit our site, unless you specifically provide this data in our contact form. We do not receive and record information on our server (cookies). Our Services are general audience services not directed at children under the age of 13. If we determine that any information we have obtained has been provided by a child under the age of 13, we will promptly delete that information.

Protecting Your Credit Card Information

Any credit card information provided to Titan Revenue Services will be stored in a confidential manner by our processing company. All information is encrypted and once entered into the website, our employees may not access your personal credit card information. Encrypted tokens are used when transactions such as a refund must be issued back to the credit card. We maintain administrative, technical and physical safeguards to protect your information from loss, theft, and misuse, and unauthorized access, disclosure, alteration, and destruction.

Disclosure of Your Information

Titan Revenue Solutions does not disclose any nonpublic information (such as demographic information, credit card numbers, expiration dates, etc.) to anyone, except as required by law. We do not disclose information about you to other entities that may want to sell their products to you. We will not sell your personally identifiable information to anyone.

California Residents

California law gives you the right to ask if your information has been disclosed to third parties for their direct marketing purposes. As stated above, we do not disclose your personal information for others' direct marketing purposes. It also gives you the right to ask if we sell your personal information to third parties. We do not sell your personal information at any time, and if this policy were to change, you'd have the right to opt out of such sales.

PRIVACY POLICY

Transaction Security

Titan Revenue Solutions through our third party payment provider IES Innovative Pay, uses Transport Layer Security (TLS 1.2) protocol to ensure transaction security. Your payment and personal information is always safe. The TLS software used by Infinity Payment Solutions is the industry standard for secure commerce transactions. All of your personal information is encrypted, including demographic and credit card information.

are compliant with all regulations governing the processing of online credit card payments.
